Mr. Stansfield Turner
Director of Central Intelligence
Central Intelligence Agency
Washington, DC 20505

Dear Mr. Turner:

STATINTL

Your nominations of [redacted] as candidates for Interchange IX of the Executive Interchange Program has arrived. We are, of course, pleased with the Central Intelligence Agency's interest in the Program.

As you know, we will need to meet with the nominees to determine their suitability for the Program, to learn of their areas of particular interest, and to answer any questions they may have. We will be in touch with them directly on this.

In the meantime, there are certain responsibilities we find it necessary to ask the sponsor to assume. So that you will be fully aware in advance, I am attaching the Commission's listing of these responsibilities. Of these responsibilities, you will probably be most interested in the procedure established by the Commission with regard to any conflict-of-interest. I am attaching a statement on the procedure for your study.

STATINTL

Again, we are very pleased with your interest and support. We look forward to meeting with [redacted] and will most certainly keep you apprised of developments.

Sincerely,

Mr. Jay F. Morris
Executive Director

Enclosure
